

The big bully

Chapter 1 {the bully}

Holidays are over and its back to school for me thought Simon as he was getting dressed for school. When he got downstairs he said to his mum. “I don’t want to go to school. “Why not”? Said his mum. Simon shrugged his shoulders. And obviously this was the reason Simon didn’t want to go to school because he was being bullied by a boy called Bob ,but his gang called him big bob because he’s massive. At ten to nine his mum shouted him and said “Simon ,hurry up or you will be late for school”.

Simon didn’t care if he was late for school, he didn’t want to go anyway. Simon was sulking in his room for another five minutes. Finally he gave up sulking in his room and thought, no I am off to go to school and I am going to prove to myself that I can face up to Bob. So he said bye to his mum and he was off in a flash. When he finally got to school he was very nervous, because, when he looked at Bob , Bob was pulling a very evil face at Simon, so

Simon turned around and carried on with his work.
