

Class 2 Useful Information - Summer Term

I hope you have all had an indulging Easter and if like me, ate far too many chocolates! Please find below a list of the topics we will be covering in Class 2 this half term. I thought it would be useful so that your child could bring to school any relevant artefacts or books.

Science	: Sound and hearing.
I.C.T. (computer skills)	: Finding information and the information around us.
R.E.	: Sacred books.
Geography and History	: Going to the seaside. What seaside holidays were like in the past.
D.T.	: Playgrounds.
Music	: Exploring instruments and symbols.
P.E.	: Games and dance.
P.S.H.C.E.	: Developing our school grounds, and making choices.

REQUEST

The play corner in the classroom this term is 'at the seaside'. I would be grateful if anyone could lend the class some sunhats, children's buckets, spades, any other sand toys, small children's outdoor chairs so that the children can use them when they are role-playing. If there is anything else that you have and you think it would be useful, I would be grateful if you would let us borrow it for our beach and under-the-sea theme. Thank you ☺

P.E.

The children will need to bring their **indoor** games kit on Mondays, and **outdoor** games kit on Wednesdays and Thursdays. For this, your child will need a t-shirt and shorts, jogging bottoms / leggings. If you do not wish your child to wear their school jumper (for when the weather is cooler), please supply an extra, long-sleeved top in their games bag. Your child will also need suitable trainers for running and jumping around in. Please can the girls ensure that they put a spare pair of socks in their P.E. bag, so that they can change into them when they wear tights. Thank you.

HOT WEATHER INFO!

Now that the weather will hopefully(!) be getting sunnier and warmer, you may wish to put sun cream on your child as we will be doing more outdoor work. Your child may also bring a bottle of **water** if they wish, to have during the day (the use of the water fountains are available throughout the day).

HOMEWORK DETAILS

Your child will be given a homework sheet every Monday. This will contain the week's homework and will be linked to the schoolwork planned for that week. The homework is intended to be done throughout the week and your child will need to bring it back for the following Monday. If for any reason your child has problems with the homework, or has other commitments during that week and cannot do the tasks, then please do not hesitate to contact me.

N.B. Your child will also bring a reading book home each night, please could you find the time to hear your child read frequently. It would be most useful if you could write down when your child has successfully read his/her book so I know when to change it.

If you have any concerns or queries, please do come and see me, or phone school.
